The Alexis de Tocqueville Society recognizes local philanthropic leaders and volunteer champions around the world who have devoted time, talent, and funds to create long-lasting changes by tackling our communities’ most serious issues.

The society is named after the founder of Morgantown, Colonel Zackquill Morgan.

The Zackquill Morgan Society is a unique opportunity for distinguished citizens of Monongalia and Preston counties to lead the way in meeting some of the major challenges of our region. It is a society for “possibility thinkers” – those who believe their dreams can happen. The society is named after the founder of Morgantown, Colonel Zackquill Morgan.

### Founders Society
The Founders Society is a tribute to leaders of this area who were responsible for the first combined fundraising efforts. In 1937, they established the Community Chest, later known as the United Fund, and finally, since the 1970’s, the United Way of Monongalia and Preston Counties.

**Gifts of $750 - $999**
Giving to the Founders Society pays tribute to Clarence Roby, the first Campaign Chair in 1934 and Charles E. Moore, who served as the first Board President in 1937. Their spirit of giving is still alive today through this special society.
