

10 WAYS Your investment to the United Way helps create a stronger community

United Way of Monongalia and Preston Counties focuses on addressing 4 impact areas in our community:

HEALTH

- 1 Individuals experiencing mental health crises have access to the support they need.
- 2 Those in need can have nutritious meals delivered to their home.
- 3 Individuals struggling with addiction receive the care they need.

FINANCIAL STABILITY

- 4 Residents receive help with emergency financial assistance.
- 5 Jobs are created for people with disabilities.

EDUCATION

- 6 Low income individuals receive home ownership counseling.
- 7 Children can participate in skill-building group activities.
- 8 More children are exposed to STEM activities.

BASIC NEEDS

- 9 Individuals facing homelessness have a place to stay.
- 10 Free hot meals provided to those dealing with food insecurities.
